PROGRAM DESCRIPTION

Leaders Grow Together is a year-long Executive Leadership Mentoring Program which harnesses the expertise of seasoned Executive Directors in the social services field. Our team of Executive Directors will serve as mentors to new and emerging Executive Directors and senior leadership at FPWA's member agencies. Over the course of the year, mentors will support non-profit leaders in strengthening leadership practices, and developing organizational work plans. Grounded in strategic thought processes and experiential learning, leaders will emerge with clear methods to address organizational sustainability and community impact.

ABOUT THE CENTER FOR LEADERSHIP DEVELOPMENT (CLD) AT FPWA

The CLD aims to increase the capacity of community and faith-based organizations by strengthening leadership skills, organizational and program management, and civic engagement. Through CLD, trainings and technical assistance are provided to nonprofits to develop skilled and talented staff, and increase their overall ability to effectively impact the growing and changing needs of the communities they serve. This is a complimentary program for FPWA member agency Executive Directors and staffers. [APPLY HERE!](#)
